**FUN FACTS OF THE MONTH:**

1. April is named after Aphrodite: Some suggest that April was originally named Aphrilis, after the Greek goddess Aphrodite.
2. April is the opposite of October in the Southern Hemisphere: In the Southern Hemisphere, April is the same as October in the Northern Hemisphere.
3. April is the beginning of baseball season: In the United States, the professional baseball season begins in April.
4. The saying "April showers bring May flowers" refers to the unpredictable weather in April, which includes showers and sunshine.
